ARMSTRONG CEILING SOLUTIONS TO INCREASE PRICE OF ALUMINUM PRODUCTS

Geographic Coverage: US, Latin America, Canada
Commercial Distributors, Contractors, and Retail

LANCASTER, PA – Effective Monday, December 1st, 2025, Armstrong Ceiling Solutions will initiate a 15% price increase on aluminum products including: Axiom, Dynamax, and Coolshield.

These actions reflect increased raw material costs and macro-economic drivers.

For longer-term future quotes, we suggest the following pricing:

- An additional increase of 5% for quotes on or after February 2nd, 2026
- Another additional increase of 5% for quotes on or after August 3rd, 2026

This Pricing Bulletin and the above guidance are based on current available information and conditions. Consistent with past practices, we will provide updated pricing information in the form of list pricing, bulletins or other notifications, as appropriate, as additional information becomes available. As always, you remain free to quote, price and contract at whatever pricing you may choose in your discretion. Please always feel free to contact your local area manager with any questions or requests for assistance.
