January 28, 2021

To: Acudor Customers

From: Alan Karp

Effective May 3, 2021 we will be initiating a price increase on all products. We have not increased our prices since 2018, even though materials, labor, and freight costs have continued to rise. Unfortunately, we have no choice but to do so now.

This price increase will apply to all orders received after May 2, 2021. Let us know in advance if you are working on any projects that need price protection.

An updated price list can be mailed to you or sent via e-mail. Please send all inquiries to our Marketing Director, Gerald Vitale. You can reach Gerald at gvitale@acudor.com or 973-575-5120, ext. 119. He can assist you with all of your marketing needs.

Thank you for your continued support.

Very Truly Yours,

A handwritten signature in black ink, appearing to read "Alan Karp".
