PERFORMANCE BUILDING SOLUTIONS PRICE INCREASE ANNOUNCEMENT

Dear Valued Customer:

Effective Monday, February 8, 2021 Performance Building Solutions, a business unit of DuPont, will increase the selling prices of all Styrofoam™ Brand Extruded Polystyrene Insulation products by fifteen percent (15%) for product delivered or intended to be delivered to the following states: California, Colorado, New Jersey, New York, Vermont, and Washington. As additional state level regulations are finalized, compliant products into these states will also be subject to a fifteen percent (15%) premium.

Orders placed on or after Friday, January 22, 2021, which have scheduled ship dates on or before February 5, 2021 will receive current pricing. Orders placed on or after January 24, 2021 will be subject to the new price. Unless price commitments have been made by DuPont, all job quotes for projects shipping on or after February 8, 2021 will reflect the increased prices. DuPont will be limiting the available quantity of product during the transition period of January 8, 2021 – February 7, 2021.

We are committed to delivering the highest level of service, providing quality products and helping you enhance your business to best serve the current and future market needs. DuPont looks to accelerate the development of innovative solutions that will bring you products demanded by architects, builders and installers, with industry leading Building Science knowledge and technical service.

Thank you for the opportunity to supply your needs and for your continued support and understanding on investing in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Evans". The signature is fluid and cursive, written over a light blue horizontal line.
